

Coronavirus / Covid 19 Idridgehay Community Support

With the latest guidelines to self-isolate and reduce travel and social contact, these will be uncertain times for many. Friends, families and neighbours will undoubtedly be helping out when they can, but if they are too far away or are ill themselves, or if you don't know who to ask, you may need a little help.

We have therefore put together a small team of volunteers to step in if needed.
We are all fellow villagers, here in Idridgehay.

If you need our help over the coming weeks or months, please
call:

Sophie on 07796 296387

And if you would like to volunteer too, do please get in touch.

The Idridgehay Village Shop on the main road
is open 8.30am – 5.30pm, Mon to Sat.

For medical queries, please contact your GP or **NHS 111**.

Do please share this notice with friends and neighbours in the village.

This is a neighbourhood initiative supported by the Idridgehay, Alport & Ashleyhay Parish Council, and we are unpaid volunteers.
