

## NEIGHBOURHOOD PLAN LATEST NEWS

The Idridgehay & Alton and Ashleyhay Neighbourhood Plan moved another step closer to completion early in June when it was approved and recommended to proceed to referendum, with minor modifications, by the Planning Inspector appointed to examine it.

Julian Jackson (BSc (Hons) DipTP DMS MRTPI) was appointed by AVBC on the recommendation of the Parish Council to examine the Plan and say whether it met the standards required. He said, *“The Parish Council are to be commended on the quality of the Neighbourhood Plan produced and submitted for examination. The document is well evidenced, presented and justified. It follows a logical structure and uses plain English, which should make it accessible to all future Plan users. The Neighbourhood Plan focuses on how new development can be appropriately provided within the special landscape setting of the area and covers a series of topics over a total of 10 policies. It is clearly evident that there has been a thorough and sustained approach to community engagement and consultation.”*

The amended plan was formally approved by AVBC Cabinet members on September 2<sup>nd</sup> and the referendum will take place on October 15<sup>th</sup>. All those on the electoral roll in the two parishes will have the opportunity to vote on whether to adopt the plan into planning law. This is your neighbourhood, your plan and your vote matters!

Come along to the Open Meeting in St James' Church on September 23<sup>rd</sup> to look at the completed plan and find out more.

## GARDEN FETE

Ildridgehay's Garden Fete on 19th July was our most successful yet. After rain first thing, a warm and sunny afternoon brought people out and enabled us to raise over £2700 for church funds. The band, dog show, teas, vintage vehicles and numerous stalls all contributed to a very

enjoyable afternoon. The balloon race went international! One label was returned from near Dresden in Germany and another from Poland! Well done to the many people who helped.

## OPEN MEETING

There will be an open meeting in the Church to discuss and provide an update on the Neighbourhood plan and the Black Swan.

**23<sup>rd</sup> September,  
7:30pm**
